"A ella, igual que a Ud., debemos en gran parte lo que somos y lo que podemos hacer como contribución a la humanidad."

Pilarcita y Samuel:

"Nos sirve de orgullo el privilegio de haberla conocido tan de cerca para poderla llamar en nuestros recuerdos como "Mother Harris."

Fundador Vargas  
Rosado

"Cada día que pasa damos más cuenta y sentimos más agradecimiento por la obra ~~por~~ que ustedes hicieron en P.R. al levantar con sacrificios y desvelos una institución tipo universitaria, que no solamente ha permitido ganarnos la vida honrada y honrosamente, sino que estamos ayudando efectivamente al Pueblo de Puerto Rico en su ~~lucha~~ <sup>lucha</sup> ~~por~~ <sup>por</sup> los problemas <sup>economicos y sociales</sup> que ~~nos~~ <sup>nos</sup> ~~asistieron~~ <sup>asistieron</sup> y sufrieron con nosotros."

Lorenzo Casiano

Dios la haya acogido en su seno, donde en no lejano día nos habremos de encontrar junto al Señor, y el Señor os dé la fe y consuelo para que sus últimos días sean agradables delante del que todo lo puede."

Eugenio Enriquez

Creo expresar el sentir de todo San Germán, diciendo que estamos muy apenados por la muerte de Mrs. Harris, y que la deuda de gratitud que le debemos jamás podremos pagarle debidamente."

Florencia Acosta. "Yours was a lovely wife and Willie's loveliest and sweetest grandmother ever known."

Juan y Margarita ~~Rivera~~

"She was not only a mother but a symbol. We all will miss her very much."

Aida Mejía de Roig.

"She is gone from this world ... but she is and will be living forever in the hearts of all those of us who loved her so well."

Juan L. Nazario, wife and children -

It comes to our minds those days of the past when Mrs. Harris with motherly love shared with you the responsibility of directing our Alma Mater. One thing we know that all students who had the privilege of knowing Mrs. Harris manifest their sorrow and grief for her departure. We are very sure that Mother Harris at her death had already won through her kindness and love to her fellow people, the place in glory that Christ went to prepare for the righteous."

Margaret Carnegie Miller.

"To us Mrs. Harris will always be a lovely memory for in her gentleness, unselfish thought, and constant service for others she was one of the truest Christians it was ours my privilege to know. Our wish our paths had crossed more often."

157. John L. Meyers "She did and said things that were an inspiration to you. I have lost one of my best friends but you have lost your companion. She was ever doing things that made others happy and where she is now she will continue doing what she did here --- ~~continue~~ make others happy."

Rev Wayne Smith.

"Her beautiful spirit and her active mind are now free of the bodily strain and can continue to serve her and her Creator and those with whom she dwells in some noble fashion. The two of you were so close, so dependent upon the support and encouragement of each other."

Mrs. Percy Weatherford -

"Our lives are richer because we knew Mrs. Harris. She was such a good woman and a wonderful inspiration to all with whom she came in contact. Wilby is a better community because of the influence of such a fine person & her memory will continue to be a blessing to all of us."

Isabel y Herman Alvarez  
"Ella fue nuestra buena amiga. Ella fue buena  
y cariñosa madre, buena esposa y excelente ciu-  
dadana. Que Dios la reciba en sus brazos."

Planet y Verida - "Lo que sufrió por los demás, la  
bondad que en su paso iba sembrando y la  
gratitud ganada en tantas obras de mérito  
serán eternos recuerdos para todos los  
que tuvimos el privilegio de conocerla  
y quererla."
