Dr. J. W. Harris
President, Polytechnic Institute
San Germán, P.R.

Dear Doctor:

The Governor wishes me to thank you for the kind welcome he received by yourself, the officials and friends at San Germán. He enjoyed greatly the short inspection tour of your fine Institution, and hopes that at a later date he will have the opportunity of seeing in greater detail the work and studies carried on by your students.

Please transmit to Captain and Mrs. Heylman the Governor's thanks for their hospitality during his short stay at their home.

Very truly yours,

William G. Caldwell
William G. Caldwell,
