Dr. & Mrs. J. Will Harris
El Guajolote Ranch
Dilley, Texas

Dear Dr. & Mrs. Harris:

I hope you received the cable before you read about the accreditation in the newspapers. We actually sent a cable on Saturday, but because of a mix up it will not be sent from here until today. Anyway you will get it two or three days before this arrives. the inclosed report will give you recent news and sort of bring things up to date.

Hastily and sincerely,

President
