Dear friends:

It has been a real pleasure to receive your letter of the 4th and to learn that Mrs. Harris' health has improved so that both of you will be able to come for our 40th Anniversary Celebration. We have been spreading this good news, and Your many Friends are happy that you are to be with us.

It has become necessary to change the dates of the Anniversary Events. The Insular Legislature has fixed the date of the Referendum, by which the people of Puerto Rico will vote on their new constitution, for March 3rd. This involves our releasing our students so that they can go home on Sunday to vote on Monday. The faculty committee on the Anniversary reluctantly decided to postpone the Alumni Home Coming Day, with its numerous events, and the Anniversary Convocation, to Saturday and Sunday March 8th and 9th. This is just a week later than originally planned. I am writing to advise you, as it may affect the dates on which you travel to Puerto Rico, No doubt you will be able to change your Eastern Airlines reservations.

In reference to the latter, the journey outlined for you by Eastern seems to be unnecessarily long and tiring, since it takes you all the way to Atlanta and involves much night time flying. If this is your preference, of course we have no objection, but would mere like to suggest that you follow a plan somewhat like the following:

Leave San Antonio, Eastern Airlines Flight 556, 1:15 P.M.  
Connect at Houston with " " " 542 to New Orleans.  
Leave New Orleans, National Airlines Flight 918, 6:50 P.M.  
Arrive Miami " " " " 11:04 P.M.  
Spend night and next day at Miami  
Leave Miami Eastern Airlines Flight 649, 5:00 P.M.  
Arrive San Juan " " " " 9:55 P.M.

The advantage of this plan is that it avoids the long trip to Atlanta, and the delay between planes there from 4:05 A.M. to 12:55 noon. It also gives you a day to rest at Miami, which Mrs. Harris may appreciate, in view of her recent illness. There will be no difference in the expense. We will await your instructions about this, before sending you the tickets. We want your journey to be as comfortable as possible, hence make this suggestion.

Regarding your return trip, steamer service from Puerto Rico is at present suspended on account of the longshoremen's strike. This ought to be settled soon, and it is possible that by the time you want to travel, the Lykes Line ships will be sailing again to Gulf ports. If you prefer to make

Dear friends:  
the trip by steamer, we will apply for reservations as soon as you advise us. Your own preference, not the saving of expense, will guide us.

Awaiting your reply, and looking forward to your visit, I

Sincerely yours,

Edward G. Seal  
President
