Dear papa,

I received your letter. I'm very grateful to know that you take "time-out" in your hurried work to think of me.

Mama has a little work for me to do around the house. She says she'll pay me \$6 if I paint Antonio's house. I'll do this and earn some more money ~~as~~ in ~~the~~ summer and buy me a new racket.

We are giving our Senior Play Fri. 24 at 8:00 P.M.
Wish you could be here for graduation.

Love,
Celand
