"Furthermore, under substantially identical authority contained in sections 1426 and 1607 of the CODE, the employment taxes imposed by such statute will not be applicable to remuneration for services performed in your employ so long as you meet the conditions prescribed above, for retention of an exempt status for income tax purposes.

This CLINIC is GOVERNED by a Board of Trustees, on an International, Interdenominational, Non-Profit basis of Christian service to mankind. The Trustees serve without pay for the welfare of man and the glory of God. The Trustees are now authorized to receive DONATIONS and to OPERATE the CLINIC. Thus the PUBLIC is ASSURED that all DONATIONS are DEDUCTIBLE for INCOME TAX purposes, and also will be used for the erection and operation of the CLINIC.

The main PURPOSE of the CLINIC is to prevent SICKNESS and DISEASES by the ERADICATION of their CAUSES, and to relieve the sick and to restore them to health. The PLAN is to develop this CLINIC into an institution similar to Scott and White of Texas and Mayo of Minnesota.
