My dear Mrs Harris:

I have your
note inviting me to be
your guest in the event
of my coming to San German
with Mrs Catt. Nothing
has been heard from Mrs
Catt since she cabled
that she had postponed
her coming "a few days".
It is therefore impossible

to make any definite arrangements.
I thank you very much for
your thoughtfulness in the matter,
and will hold your note
to Mrs Catt until I know
whether or not she is coming.

Both the Governor
and myself have been looking
forward with keen interest
to visiting the Polytechnic Insti-
tute and hope to do so very
soon after my husband returns
from the States.

Thanking you again
for your invitation to come to you if
I ^{to San Germany} come with Mrs Catt I am
(Mrs Horace W.) Cordially yours
Harriet C. Torner
