Gentlemen:

I wish to thank you for your kind invitation to attend the ceremonies in connection with the celebration of the Twenty-fifth Anniversary of the Founding of that institution and sincerely regret that the pressure of business will prevent my attendance.

However, I wish to take this opportunity to express my admiration for the splendid work which the institution is doing and has done in Puerto Rico and particularly for the great service rendered both to the institution and to the Island by Doctor Harris, to whose untiring energy, tenacity and vision the institution owes its life and present progress.

Although this is a personal letter I feel quite certain that in voicing my own sentiments I am expressing those of the members of the Chamber of Commerce of Puerto Rico.

Very truly yours,

Felipe L. de Hostos,
President.
