Dear Dr. & Mrs. Harris:

The Alumni Association gave me this money (fifty five dollars) to give it to you at the time of leaving, so you spend it in your trip back home.

We certainly appreciate your kindness in accepting our invitation to visit us, and no words can express our happiness and joy in having you at least for a while, so short a time, that seems we are dreaming.

Best wishes, good luck, and I hope you understand we have not done for you a bit of what you deserve, but it shows how much we love you. Looking forward when "the twins shall meet again".

With love,
Laura G. Bover.

P.D. In case you need more money, don't hesitate in letting me know it.
