Dear Mrs. Harris:

You would be surprised if you
never had many at West End are very
familiar with Porto Rico - its people -
our mission stations & those are with
the Polytechnic Institute, which is
is really the most strategic point
in the whole scheme of P. R. Christian
Evangelism. And when he showed the
plans of the president very long the
idea of giving a "home evening"
by proxy, occurred to some of our
(of your) devoted friends. Some began
to gather in the dozens & dollars
as they were handed in

A day before yesterday - Mother, Isabel,
(my sister) Mrs. Fred Peters & I, selected
the things which I have here listed.
If any are missing please tell me
& if there are other things that
you would really like & need, I'll
try to get them if I can & you
will let me know what they are.
When I move I always feel like
selling out & starting over - so far
as my house furnishings go & if
I have next things that you
already have you can find them
or (the new ones) & some are the
but I hope you can find a place
for each one & will enjoy placing
& using them.
That says I tried to rearrange

with the tone of your walls. In
our big living room, we needed
two 9x12 ft rugs, & as your room
is still larger I got the answer
for you with an extra one. In the
space between dining & living room
or any where you prefer.
I trust I have suited your taste.

The choice of color had to rest
with me as I was the only one
of the four who had seen the
room.

So glad the kiddies liked
the contents of their box.

Dear love & dear all as well
as to you & Ann Harris.

How I'd like to be with you
when the big boy comes. But
he had not far in selecting
the various things.

Accept of our dear all in
your lovely new house with the
warmest greetings from your
that ever friends.

Yours most sincerely
Elizabeth Gray Keegan
