Dear Mr + Mrs Palmer -

We wish to thank you for your years of service and ~~for your~~ in and out of the class room, for your willing cooperation, your untiring work and your example before students, your interest ~~and~~ and help especially in the religious and social life.

As the alumni honor you, please know we <sup>too</sup> should like to congratulate you and wish you many more years in the ~~best~~ <sup>Prly</sup> college in the world, Polytechnic Institute of P. R. We should love to be in the line to shake your hands.

I have no flowery words of advice or praise such as you deserve except that I hope you will keep on just as you have begun. The college is richer for your presence, and you are richer for all the strength and life you have given ~~to the college~~ away.

It is stylish here on the continent to  
give in church bulletins & club reports,  
"a thought for the day". I shall close  
with "a thought for the year".

"Nothing need beat us, provided we have  
the right attitude of mind." The set of the  
Eagle's wings determines whether he will  
rise or fall in a storm. "Christianity gives  
a set of the soul, so that when trouble  
& frustration & disaster strike me, he  
goes up - his soul wings are set in  
that direction." (abundant living page 284)

With love and love
