Dr. & Mrs. John W. Harris,
Polytechnic Institute,
San German, P.R.

Dear Dr. & Mrs. Harris,-

We congratulate you on coming to this Twenty Fifth Anniversary of the Polytechnic Institute of Puerto Rico, with the real accomplishments of the school. You have been a part of us during these years and have been most closely identified with the Island in your work through the institution. You leave a worthy monument to your vision and missionary consecration here behind.

We have received the the announcement and invitation. Without doubt this will be a happy and profitable occasion. We believe in the future of the school and shall always be ready to give any encouragement for it that we can.

I regret that I shall not be able to attend. Recently I have had to undergo a minor operation and it happens that we have the annual visit of Dr. Fred L. Brownlee of our Mission Board here also, and the combination of the two special conditions makes it quite unadvisable for me to undertake to get over there at this time.

Both of you receive our most hearty best wishes as you retire for the presidency of the Politechnic and leave our island. We know from what you have told us of your native state of Texas that you are going back to pleasant surroundings and also to a place where there will be opportunities to serve in a Christian way.

May Gods Richest Blessing go with you always. We hope that we may see you before you leave Puerto Rico. We shall always count you among our dearest friends and shall be happy in any communications from you.

Most sincerely and cordially yours,

Mr. & Mrs. C. I. Mohler,

C. I. Mohler.
