Dear Dr. Bauer:

Thank you very much for your good letter of December 5th. We all appreciate deeply what you are doing in honor of our parents. For a while it looked as though we could all get away to be with you January 19th. Now it looks like I will not be able to attend at all. I have a letter from Margaret stating that she plans to be present. If it works out that I can get away it will be a very distinct pleasure to be with you January 19th.

My kindest regards to Mrs. Bauer and your fine children. May this New Year be a great blessing to you and your family and to all at Polytechnic.

Best wishes to all,

D W
