

January 9, 1957

Hon. Mariano Villaronga
Secretary
Department of Education
Hato Rey, Puerto Rico

Dear Mr. Villaronga:

On Sunday January 20 at 9:30 A.M. there will be a Memorial Ceremony at Inter American University for Dr. and Mrs. John William Harris who founded this institution. At that time their ashes will be interred at "The Steps" where the first academic building was located.

I have the honor to invite you, or some one you may wish to designate, to represent the Department of Education at this Ceremony and to speak very briefly on behalf of the Department on this occasion. The Ceremony will be preceded by an academic procession.

It would be extremely helpful and greatly appreciated if you reply immediately.

Sincerely yours,

Ronald C. Bauer
President
