Mrs. Margaret Harris Stephenson
Dilley, Texas

Dear Margaret:

I was very pleased to receive your letter and to know that you are coming for the Memorial Service. The organizing committee has suggested that the program be held on Sunday January 20th instead of the 19th. This has been done in order to make it possible for more people to attend.

Would you kindly let me know immediately the exact time of your arrival in San Juan, including airline and flight number. Representatives of the press including photographers expect to meet the plane at your arrival.

Would you also tell me the exact size of the urns containing your parents ashes. We need this information in connection with the size of the opening in "The Steps". A very fine bronze plaque is being prepared to cover the opening.

I hope you will be able to reply by return airmail. We are looking forward to having you with us.

Very sincerely,

Ronald C. Bauer
