The Rev. W. D. Harris  
First Presbyterian Church  
P. O. Box 64  
Baytown, Texas

Dear Don:

I was very glad to receive your letter of January 2, although it brought news that it might not be possible for you to be with us at the time of the memorial service for your parents. We still have hopes that you may be able to get away. I have heard from Margaret and also from Helen indicating that they and your brother Cleland will be able to come.

We had planned to have the ceremony on Saturday, January 19 but the committee has suggested that it be held on Sunday, the 20th instead. I do hope that it will be possible for you to be with us.

Best wishes to you and your family in the New Year.

Sincerely,

Ronald C. Bauer,  
President
