REV. M. E. MOPHAIL  
PASTOR

Jan 12, 1957.

Dear Dr. Bauer:-

It looks like I'll be with you next week for certain, which  
pleases me very much. I had a meeting in Dallas this week; another  
one in Tulsa, two in Wichita, Kansas and one in Cleveland, O.  
In a period of one month all these are coming up - plus two  
state meetings in Waco. I just couldn't see how I <sup>could</sup> get  
away - But I found out that the other members of the family  
were going to make it - so away I go too -

This is my father's birthday - we are all thrilled  
with the good he tried to do for people in the name of his God.  
May you continue the splendid course that you have  
charted already, and find the companionship of God to  
brighten up any moments of discouragement that might try to  
turn you aside -

So far, I may fly alone - Perhaps I shall bring my  
daughter Anne - I am looking forward to being with you -

Best wishes to all,

D M
