Mr. José Cebollero  
San Germán, P. R.

Dear Mr. Cebollero:

We were very pleased to have your participation in the memorial service for Dr. and Mrs. Harris. Numerous people have talked to me since the ceremony and all of them have said that they felt that the ceremony was most solemn and impressive. It was most gratifying that so many people were able to come to the ceremony to remember the Harrises and pay them homage. I wish to express my very great appreciation for your participation in the ceremony. It was good to have you with us.

Sincerely yours,

Ronald C. Bauer,  
President
