Rev. William Harris,
Polytechnic Institute
San German P. R.

My dear Sir:

Although it has not been possible for me to have met you, because I am working as a rural teacher in the country, it is indeed a great pleasure for me to write this short letter to you and to your loving wife.

In the first place, I must tell you that my eldest daughter was awarded an insular scholarship and the "Good Citizenship Medal," last year. So she is attending "North Texas State Teachers College" at Denton. On account of her stay there, she has found the Texan people so friendly, that I certainly assure you, that we all have a very warm place in our hearts for all Texans. They have been so kind, so thoughtful and solicitous about her, that I owe them an immense debt of gratitude. I have received very good news from the President, Dr. Joseph McConnell.

Being so, if at any time it will be possible for you to meet her, I will appreciate it with my heart. Her name is Maria Isabel Rodriguez Zutzlas.

Congratulating you most sincerely for the success of your beloved institution, and with all my best wishes

I remain,

Cordially yours,
Isabel Zutzlas Uta Rodriguez

Please let me know that you have received this before you leave.
