Dr. Will Harris
Dilley, Texas

Dear Dr. Harris:

Through the Puerto Rico Evangelico we just learned of Mrs. Harris.

I want to tell you from the bottom of my heart, that I am sorry.
You well know that I am aware of your feelings in every way.

I always thought of Mrs. Harris as the Mother of the Poly, and I'm
certain that it shall always be that way.

May God bless you, Dr., in every way.

Sincerely,

Warren
