Old Faithful Inn, in Upper Geyser Basin, was so named because of its proximity to Old Faithful Geyser. From the veranda of this huge log structure there may be seen at close range the hourly eruptions of Old Faithful Geyser, as well as displays of many nearby geysers.

POST CARD

Dear all:-

We are at Old Faithful Inn. This is a pretty place but we have been through scenery much prettier on the way up. Utah is a fine state, Salt Lake City is a very interesting place. Weather is cold at night. Spending tonight in north end of Park, tomorrow to Denver - Hope you can take this trip. It is beautiful - Love - Don.
