

Massanutten Mts. seen from Swift Run Gap, Shenandoah National Park, Va.

Sat - Aug 14  
A grand view, showing part of Shenandoah Valley with Massanutten Mountain in the background as seen from skyline drive.

Left Wash. this morning  
Plan to reach Atlantic City  
Decided against Atlantic City  
because of the weekend crowds.  
Too going to N.Y. City - large  
town, fine, the children too  
much. Saw points of interest  
in Wash. yesterday. Had a  
good time - really enjoyed  
the Skyline Drive & Skyline  
Caverns. It is a beautiful  
Country - Love, Madeline
