GOD KEEP YOU

GOD keep you dearest,
All this lonely night,
The winds are still,
The moon drops down behind the western hill:
GOD keep you dearest,
Till the light

GOD keep you then when slumbers melt away,
And care and strife,
Take up new arms to fret our waking life,
And keep you through the battle of the day

GOD keep you "Nay, beloved soul, how vain,
How poor is prayer!
I can but say "Amen,
And yet again,
GOD keep you every time and everywhere."
